Cricket Equipment

- U10/U11: A protective cricket box must be worn when batting during hard ball cricket. This applies to any boys who train with the U10 or U11 A Squads. We strongly recommend the purchase of a cricket box for hygiene reasons. This must be worn with the appropriate garment to hold it in place eg an extra pair of pants, jock strap or batting shorts.
- Children may use school equipment including pads, gloves, helmets and bats. However, any U10 or U11 children are welcome to bring any kit they wish to use in a named cricket bag, which can be stored in the bag store on the right of the entrance to the top field.
- U8 and U9 boys are welcome to use their own bats if they own one and these can be stored safely in their classroom.

Name tapes may be obtained from the Uniform Shop.
